

## Lobby Closure

To protect our members and employees, our lobby will be closed effective Monday, December 7th, until further notice.

Our Drive-Thru will remain open with normal hours, and we are committed to servicing all of your needs, just in a different way. Regular teller transactions and Shared Branching will be conducted with ID verification.

Staff will be in our office to process loan applications and new account openings and updates by appointment only.

Safe deposit box access will be granted, preferably with advance notice.

Transactions placed in our Night Depositories prior to 4:00 pm Monday-Friday will be processed on the same business day.

We will also meet your needs by telephone or by mail when possible.

Please continue to utilize our services such as ATMs, Online Banking, Mobile App, Mobile Check Deposit, Debit Cards, and Telephone Transfers.

We remain committed to our employees, members, and our communities throughout this pandemic and beyond.

Please contact us with any of your questions or to discuss how we may serve you.
